Mandate Reference: "Annual Membership Fee - SAFeRS e.V."

→ Only possible for accounts located in Germany. ←

I authorize SAFeRS e.V. to collect annual payments from my account via direct debit. I instruct my credit institution to honor the direct debits drawn by the association. The amount corresponds to the selection made on the membership application. Collection generally occurs in the 1st quarter of the year. For memberships starting after the 1st quarter, the fee for the current year may be debited immediately.

You can request a refund of the debited amount within eight weeks of the debit date. If membership has not been effectively canceled, the association maintains its claim to the fee and any return debit costs. Data is stored electronically for association management purposes for the duration of the membership.

Note: I can request a refund of the debited amount within eight weeks, starting from the debit date. However, if the membership has not been effectively canceled, the association is entitled to the fee and any costs incurred from the return debit. The conditions agreed upon with my credit institution apply.
